RE: On-line Contract Question Submittals

Beginning with contracts on the April 23, 2008 letting, INDOT is implementing a new on-line method for submitting contract specific questions. Contractors should submit contract specific questions by completing the Question Form accessed from the main INDOT letting information webpage at: (<http://www.in.gov/dot/div/contracts/letting/index.html>). Clicking on the hyperlink labeled "Contract Question Submittals" will load the form to be completed.

Once questions are submitted, they are emailed directly to the appropriate District Construction Engineer for answering. An answer should be available within two business days. Contract specific questions along with appropriate answers will be posted as a Contract Letting Document, one for each contract. To retrieve the Question and Answer Form for a specific contract, go on-line in the same manner you retrieve Contract Information Books and Plans. The "Contract Letting Documents" hyperlink accessed from the main INDOT letting information webpage (<http://www.in.gov/dot/div/contracts/letting/index.html>) will display the interface used for selection of contract letting documents. For the document category, select "Q and A Form".
